## THE FATE OF THE UNIVERSE IS IN YOUR HANDS...

Iconic, all-powerful and inevitable; this is the model wanted by every hero and villain in the galaxy. When designing our LEGO® recreation of the Infinity Gauntlet, it was really important to us that fans could have the experience of adding the colorful Infinity Stones one by one, as the very last pieces of the model. We also ensured that the fingers were poseable so that you can achieve Thanos's famous 'snap' from Marvel Studios' Avengers: Infinity War. We hope you enjoy building and please, wish for something a little less destructive than the last guy to wear it...

Carter Luce Baldwin, LEGO® Designer

## LE DESTIN DE L'UNIVERS EST ENTRE VOS MAINS...

Emblématique, tout-puissant et inéluctable, ce modèle est recherché par tous les héros et les méchants de la galaxie. Lors de la conception de notre version LEGO® du Gant de l'infini, il était vraiment important pour nous que les amateurs puissent vivre l'expérience d'ajouter les pierres d'infinité colorées, une par une, comme toutes dernières pièces du modèle. Nous avons également veillé à ce que les doigts puissent être placés de sorte à imiter le célèbre claquement de Thanos dans le film Avengers : La guerre de l'infini de Marvel Studios. Nous espérons que vous prendrez plaisir à le construire, et vous prions d'être un peu moins destructeur que le dernier homme à l'avoir porté...

Carter Luce Baldwin, concepteur LEGO®

## EL DESTINO DEL UNIVERSO ESTÁ EN TUS MANOS...

Inolvidable, todopoderoso e inevitable: este es el modelo que todos los héroes y villanos de la galaxia anhelan. Cuando diseñamos esta recreación LEGO® del Guante del Infinito, nos pareció muy importante que los fans pudieran experimentar la sensación de añadir las llamativas Gemas del Infinito, una por una, como remate final del modelo. También nos aseguramos de que los dedos fueran articulados para que pudieran adoptar la famosa posición del chasquido de Thanos en Avengers: Infinity War, el éxito cinematográfico de Marvel Studios. ¡Esperamos que disfrutes construyendo! Y, por favor, desea algo un poco menos destructivo que el último tipo que lo usó...

Carter Luce Baldwin, diseñador de LEGO®
