## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

## IT'S HOME

Ron Weasley™ and his brothers Fred and George may be in a bit of trouble after rescuing Harry Potter™ from Privet Drive in the family's flying Ford Anglia™, but as soon as the four arrive at the Burrow, Molly Weasley™ welcomes Harry with open arms. The Burrow is a cornucopia of magical items and cozy corners. Barely a straight angle in sight, the curious, charming country house is buzzing with life, warmth, shenanigans and lots of laughter. Even with dark forces lurking on the horizon, The Weasleys' magical home is the one safe refuge we always return to.

## C'EST CHEZ NOUS

Ron Weasley™ et ses frères Fred et George ont peut-être des problèmes après avoir récupéré Harry Potter™ sur Privet Drive avec la Ford Anglia™ volante de la famille, mais dès que les quatre garçons arrivent au Terrier, Molly Weasley™ accueille Harry à bras ouverts. Le Terrier renferme une myriade d'objets magiques et de recoins douillets. Présentant peu d'angles droits, la curieuse et charmante maison de campagne bourdonne de vie, de chaleur, de manigances et de beaucoup de rires. Même si des forces obscures rôdent à l'horizon, la maison magique des Weasley est le seul refuge sûr où nous retournons toujours.

## ES MI HOGAR

Puede que Ron Weasley™ y sus hermanos Fred y George se hayan metido en un gran problema luego de rescatar a Harry Potter™ de la casa de Privet Drive en el Ford Anglia™ volador de la familia, pero en cuanto los cuatro llegan a la Madriguera, Molly Weasley™ recibe a Harry con los brazos abiertos. La Madriguera es toda una galería de objetos mágicos y rincones acogedores. En apariencia carente de ángulos rectos, la curiosa y encantadora casa de campo es un lugar lleno de vida, calidez, travesuras y muchas risas. Incluso con el acecho de las fuerzas oscuras en el horizonte, el mágico hogar de los Weasley es el único refugio seguro al que siempre volvemos.

## HOW TO MOVE YOUR LEGO® MODEL

Before you lift or move your model, close the building to make sure it's secure and stable, as shown in this picture. Say "Mischief managed," and you're good to go!

## COMMENT DÉPLACER VOTRE MODÈLE LEGO®

Avant de soulever ou de déplacer votre modèle, fermez le bâtiment pour vous assurer qu'il est sécurisé et stable, comme illustré sur cette image. Dites « Mefait accompli » et vous pourrez commencer !

## CÓMO LLEVAR TU MODELO LEGO® DE UN LUGAR A OTRO

Antes de levantar o trasladar tu modelo, cierra todas las puertas y ventanas para darle la mayor estabilidad y firmeza, como se muestra en esta imagen. Solo di "Travesura realizada" y... ¡listo!

George Gilliatt,

## WELCOME TO THE BURROW

The Weasley family's hospitality is embedded in every crooked nook and cranny. In their creative inventions, resourceful uses of magic, decor and family comforts, like the enchanted knitting needles and dish scrubber, the family location clock, and Muggle™ objects collected by Arthur Weasley™. Over time, the Burrow has been expanded to a delightful higgledy-piggledy structure. It seems magic may be the only thing keeping it together! This LEGO® model is full of interesting techniques to recreate the wonky windows and tilted floors.

## BIENVENUE AU TERRIER

L'hospitalité de la famille Weasley est ancrée dans chaque recoin. On la trouve dans leurs inventions créatives, leurs utilisations ingénieuses de la magie, leur décoration et leur confort familial, comme les aiguilles à tricoter et la brosse à récurer enchantés, l'horloge de localisation familiale et les objets moldus amassés par Arthur Weasley™. Au fil du temps, le Terrier s'est agrandi pour devenir une merveilleuse structure bicornue. Il semble que la magie soit la seule chose qui le maintienne ensemble ! Ce modèle LEGO® regorge de techniques intéressantes pour recréer les fenêtres tordues et les planchers inclinés.

## TE DAMOS LA BIENVENIDA A LA MADRIGUERA

Cada recoveco, no importa lo retorcido que esté, pone de manifiesto la hospitalidad de la familia Weasley. Eso es lo que destilan sus creativos inventos, sus ingeniosos usos de la magia, su decoración y las comodidades con las que cuenta el hogar, como las agujas de tejer y el lavador de platos encantados, el reloj que muestra la ubicación de los miembros del clan y los objetos Muggle™ recopilados por Arthur Weasley™. Con el paso del tiempo, la Madriguera se ha ampliado hasta convertirse en una maravillosa edificación cuya desordenada estructura parece desafiar las leyes de la física. ¡Se diría que la magia es lo único que la mantiene en pie! Para recrear las ventanas retorcidas y los pisos inclinados en el modelo LEGO®, fue necesario echar mano de una serie de técnicas bastante interesantes.

## “HOW WONDERFUL TO SEE YOU, DEAR.”

Throughout the Harry Potter™ films, several memorable moments and social gatherings take place here. Hearty home-cooked meals. Carefree school vacations. Harry's first experience traveling via the Floo Network (with the accidental detour to Knockturn Alley). And later, fateful meetings with The Order of the Phoenix, Rufus Scrimgeour revealing the last will and testament of Albus Dumbledore™, and Bill and Fleur's wedding.

## « C'EST MERVEILLEUX DE TE VOIR, TRÉSOR. »

Au cours des films Harry Potter™, plusieurs moments mémorables et rencontres sociales ont lieu ici. Des repas copieux préparés avec amour. Des vacances scolaires sans souci. Le premier voyage de Harry au travers du réseau des cheminées (avec un détour accidentel par l'Allée des Embrumes). Et plus tard, les rencontres fatidiques avec l'Ordre du Phénix, Rufus Scrimgeour révélant les dernières volontés d'Albus Dumbledore™, et le mariage de Bill et Fleur.

## “ME DA GUSTO VERTE”

Aquí tienen lugar diversos momentos memorables y reuniones sociales a lo largo de la saga cinematográfica Harry Potter™. Abundantes comidas caseras. Vacaciones escolares sin preocupaciones. La primera experiencia de Harry viajando por la Red Flu (con la inesperada desviación al Callejón Knockturn). Y, tiempo después, fatídicos encuentros con la Orden del Fénix y la revelación de la última voluntad y el testamento de Albus Dumbledore™ por parte de Rufus Scrimgeour, así como la boda de Bill y Fleur.

# FROM THE LEGO® DESIGN TEAM

"The Burrow has previously been released in other LEGO® sets – two minifigure-scale sets in 2010 (The Burrow 4840) and 2020 (Attack on the Burrow 75980), and as a micro-build in 2022 (part of the LEGO® Harry Potter™ Advent Calendar 76404). Now, for the first time, we have created the house fully enclosed with familiar rooms and details from the films – and then some – in the ultimate version of the Burrow. Including, of course, the pigsty and poor old Errol diligently doing his best to deliver the mail."

"Just like the Weasley family, it took a large LEGO designer family (most of them Muggles™, as far as we know) to bring this model to life. Throughout the Harry Potter film series, we see some of the rooms in the Burrow, but others, like the twins' room, Ginny's room and the bathroom are not shown. We hope you will have fun exploring our interpretation of what they might have looked like as you build them, and that you feel the characters' personalities in each room."

## UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO®

« Le Terrier est déjà apparu dans d'autres ensembles LEGO® : deux ensembles à l'échelle de figurine en 2010 (Le Terrier 4840) et en 2020 (L'Attaque du Terrier 75980), et sous forme de microconstruction en 2022 (en tant qu'élément du Calendrier de l'Avent LEGO® Harry Potter™ 76404). À présent, pour la première fois, nous avons créé la maison entièrement fermée avec des pièces et des détails familiers des films (et même plus) dans cette version suprême du Terrier. Y compris, bien sûr, la porcherie et le pauvre vieux Errol qui fait de son mieux pour distribuer le courrier.

Tout comme la famille Weasley, il a fallu une grande famille de concepteurs LEGO (dont la plupart sont des Moldus, à notre connaissance) pour donner vie à ce modèle. Au fil des films Harry Potter, nous voyons certaines des pièces du Terrier, mais d'autres, comme la chambre des jumeaux, la chambre de Ginny et la salle de bain, ne sont pas montrées. Nous espérons que vous vous amuserez à explorer notre interprétation de ce à quoi elles auraient pu ressembler en les construisant, et que vous pourrez ressentir la personnalité des personnages dans chaque pièce. »

## IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

"La Madriguera ya se ha lanzado anteriormente en otros sets LEGO®: dos a escala de minifigura en 2010 (La Madriguera [4840]) y 2020 (Ataque en la Madriguera [75980]), y como micromodelo en 2022 (parte del set LEGO® Harry Potter™: Calendario de Adviento [76404]). Y ahora, por primera vez, en la versión suprema de la Madriguera reproducimos la casa totalmente cerrada con habitaciones y detalles conocidos de las películas (y algunas cosas más). No podían quedarse fuera la pocilga y el pobre Errol, que hace lo que puede para repartir la correspondencia.

Se necesitó una gran familia de diseñadores de LEGO (según se sabe, la mayoría de ellos Muggles™) para dar vida a este modelo. A lo largo de la serie de películas de Harry Potter, vemos algunas de las habitaciones de la Madriguera, si bien otras, como la de los gemelos, la de Ginny y el cuarto de baño, no se muestran. Esperamos que te diviertas explorando nuestra interpretación de cómo podrían haber sido mientras las construyes y que logres sentir la personalidad de los personajes en cada habitación".

## MAGIC IN THE DETAILS

"The Burrow's wobbly structure has so many funny angles and details, and we hope you will love building the functions that really bring this everyday magic to life. For the first time, we have gathered the entire Weasley family in one LEGO® set, including the two oldest brothers, Bill and Charlie, who have never been released as LEGO minifigures before. Brick-built features, stickers and decorations include the entire family's toothbrushes in the bathroom, and because Arthur Weasley™ is so fascinated by Muggle™ electrical plugs, he keeps one in his bedroom. Fred and George can, of course, be seen designing early prototypes of Weasleys' Wizard Wheezes gadgets!"

George Gilliatt, LEGO® Model Designer, and Peter Kjærgaard, LEGO® Graphic Designer

## LA MAGIE EST DANS LES DÉTAILS

« La structure bancale du terrier présente tellement d'angles et de détails amusants, et nous espérons que vous adorerez construire les fonctions qui donnent vraiment vie à cette magie du quotidien. Pour la première fois, nous avons réuni toute la famille Weasley dans un seul ensemble LEGO®, y compris les deux frères aînés, Bill et Charlie, qui n'ont jamais été produits en tant que figurines LEGO auparavant. Les éléments en briques, les autocollants et les décorations comprennent les brosses à dents de toute la famille dans la salle de bain, et comme Arthur Weasley™ est fasciné par les prises électriques moldues, il en garde une dans sa chambre. Fred et George peuvent, bien sûr, être vus en train de concevoir les premiers prototypes des gadgets de Weasley, Farces pour sorciers facétieux ! »

## LA MAGIA ESTÁ EN LOS DETALLES

"La tambaleante estructura de la Madriguera tiene muchos ángulos y detalles divertidos, y creemos que te encantará materializar las funciones que dan vida a esa magia cotidiana. Por primera vez, reunimos a toda la familia Weasley en un set LEGO®, incluidos los dos hermanos mayores, Bill y Charlie, que nunca antes se habían lanzado como minifiguras LEGO. Las características construidas con bricks, calcomanías y decoraciones incluyen los cepillos de dientes de toda la familia en el cuarto de baño, y como a Arthur Weasley™ le fascinan los enchufes eléctricos Muggle™, tiene uno en su dormitorio. ¡A Fred y George, por supuesto, se les puede apreciar diseñando los primeros prototipos de algunos artefactos que se venderán en Sortilegios Weasley!".

George Gilliatt, modelista de LEGO®, y Peter Kjærgaard, diseñador gráfico de LEGO®
